

Welcome

We look forward to welcoming you soon in
the Kursaal Interlaken.

CONGRESS-CHECKLIST

In order to be able to optimally prepare your congress and the orders for your booth, we've prepared the following checklist for you. If you still have questions about products, you can reach us at:

webshop@congress-interlaken.ch

In general

- Please note the packaging unit / piece size per item and the minimum order quantity
- Order the desired items on the desired day and delivery time
- If you place an order for an event / symposium or similar that is taking place in a different location as your booth, please do your order separately. When completing the order, name us the delivery location (e.g. Theatersaal) instead of your booth number

Furniture

- All furniture will be at your disposal on the set-up day
- If you wish to have carpet at your booth, you are free to lay it yourself or have it laid by our team. The laying of the carpet must be booked separately (see employees section).

For cooling

- If you like to use cooling space in the back office of the Kursaal Interlaken, please contact us in advance via webshop@congress-interlaken.ch

We need the following information:

- Content of the goods
- Packaging unit / size and weight
- Date of delivery

The goods must be delivered well labelled (company name & booth number) so that we are able to allocate them to the exhibitor. Please let us know, at what time and day they will be delivered and you will pick up your goods

Dishwashing

- Use the delivery slots to select the number of cleanings you need for glasses and porcelain
- On the days of the event, the dishes must be brought to the back office so that our team can take care of the cleaning. At the handover, you will be informed when you can collect the cleaned dishes again

Booth equipment

- All booth accessories are available on the set-up day
- All items, whether IT or power accessories are booked once per congress
- The stand rental fee includes access to a T-13 standard power connection. All other connections are subject to a charge

Employees

- Hostesses and F&B staff have a minimum assignment of 2 hours. You enter the start time using the delivery slot. The quantity corresponds to the duration of the assignment
- If you wish to have your booth cleaned before the start of the event after set-up, book the 1st congress day - delivery slot at 08.00 o'clock. The cleaning will thus be carried out the evening before. The final cleaning of the booth is already included in your booth rental fee

Gastronomy levy

- Should you bring your own coffee and / or barista, please book the appropriate gastronomy levy
- If you bring food and / or beverages, please book the corresponding gastronomy levy
Please let us know what type of food you are bringing with you and in what quantity
- If you distribute give-aways at your booth, please book the corresponding gastronomy levy
- If you require preparation space in our back office for your catering service, please book the start time using the delivery time. The quantity corresponds to the duration of the service. Let us know what kind of food will be prepared

Please note that the preparation site:

- only includes the working area
- the catering company must bring all utensils / kitchen tools itself
- a request must be made in advance for the use of ovens or other equipment

Please let us know the contact (name, telephone number and e-mail address) of your catering service via webshop@congress-interlaken.ch

INSTRUCTIONS CKI - WEBSHOP

CKI WEBSHOP

This shop will remain open for orders until 08:00 on the last Friday before the event. After that, we switch to the day shop with a reduced range of products, which will also remain accessible to you during the event.

Registration

- Create new account with all required information
- Orders must be completed, as the shopping cart will be reset to zero when you log in again.

The image displays the registration process on the CKI webshop. On the left, a login screen features a blue 'EMS' logo and a 'REGISTRIEREN' button. A red arrow points from this button to a detailed registration form on the right. The form includes radio buttons for 'Firma' and 'Privatperson', and input fields for Name, Adresse, Zusatz, PLZ, Ort, Land, Telefon, and Handy. A 'REGISTRIEREN' button is at the bottom of the form.
